Keeping the Faith: Suz's Monthly Message

My Dear Brothers and Sisters,

It's hard to believe that May is upon us—the end of the school year, the end of our first year in ministry together. We've just come through a very moving Holy Week and Easter Day. Our worship and prayers together during the week leading up to the Queen of Feasts, the Great Vigil of Easter, brought my heart ever closer to God—and to all of you. Even if you weren't able to be with us physically during the three-day liturgy of the Triduum or on Easter Day, you have all been very much in my heart.

The joy of Easter continues for Will and me, and I hope that is true for you and your loved ones. I took time during Easter Week to travel to Tennessee to visit, first with my parents and my sister's family, and then with our two sons in Nashville. I even squeezed in a preaching conference in Sewanee, where I was able to touch base with our new Assistant to the Rector, Christopher Wilkerson. The Wilkersons are quite eager to join us in June.

I am also quite delighted to announce to you all that we have called a permanent Family Ministry Coordinator, Chloe Cashwell, who will begin her ministry with us in mid-May. Chloe and her husband, Ethan, are both Episcopalians and are living in Central. (See more about Chloe and Ethan on page 5 in this *Tempo*.) They have been attending St. Andrew's Episcopal Church in Greenville and are busy saying farewell to the good people there. Chloe brings to this position experience as an educator with youth and with young children. Most importantly, she has a strong faith that shines through her words and actions. Chloe has also begun an impressive campaign of planning and organizing for 2017-2018—her energy is boundless! I hope you will join me in welcoming Chloe and Ethan to our parish with your characteristic warmth.

Please join me also in thanking Mary Beth Johnstone for her marvelous interim ministry while we searched for our permanent Family Ministry Coordinator. Mary Beth brought wonderful gifts, energy, and spirit to her work on behalf of our families at Holy Trinity, and I am extremely grateful for her ministry with us!

I am very grateful for you as we approach the anniversary of my arrival here in the Upstate. I can say with all sincerity that I love Holy Trinity Episcopal Parish, St. Paul's, and all the people who come to those special places to worship and to serve the Lord.

Grace and peace to you all,

Suz ✕

WHY DO WE DO THAT?

*From where do we get the Prayers of the People we've been using lately?
Why aren't we using the Forms from the Book of Common Prayer?*

Beginning in Advent of this liturgical year, we've been using season prayer forms that have been written by groups and individuals in the parish. With the 1979 revision of the Book of Common Prayer, the intent of the prayer book revisers was for the Prayers of the People to come directly from the people of the worshipping community. The rubrics governing those prayers can be found on page 359. The six Forms provided in the BCP were intended for use on extraordinary occasions when the congregation is unable to compose prayers for themselves.

I have asked various individuals and groups to compose prayers of the people specifically for our congregation, incorporating seasonal themes of concern. Beginning with the Second Sunday after Pentecost, and throughout the rest of the Season after Pentecost, we will use the Forms in the BCP. I have been impressed with the theological depth and the richness of the prayers that have been composed by our parishioners, and I would like to continue to use Prayers of the People of Holy Trinity from Advent through Holy Trinity Sunday each year. Please let me know if you would be interested in composing a seasonal setting for our Prayers of the People.

While we're on the topic of our weekly corporate prayers, I'd like to discuss the prayer requests that we collect before worship each Sunday. There is a book situated in the center of the Narthex (our fancy church word for entryway) that contains the Prayers of the People for each of our services. There are spaces provided for writing in your prayer concerns. Please feel free to write them into the book, so that our assigned Intercessor (our fancy church word for the person who reads the prayers) can read them aloud during the Prayers of the People. If you would be so kind as to include your name in the space provided, it will help us to track your requests and to reach out to you pastorally.

Prayer, both corporate and individual, is one of the most important activities of any parish. It is my passionate dream that Holy Trinity will continue to be community of pray-ers, growing in faith and in the richness of our prayer lives. We include the prayer list from prior weeks in each announcement bulletin so that, if you feel called to do so, you can pray for the persons, churches, and concerns that have been shared by your brothers and sisters in Christ.

Grace & peace to you all, and keep the questions coming!

Suz+

Healing Service Hiatus

The Thursday Healing Service will go on hiatus until next fall as the clergy of Holy Trinity take time to discern the best time and the best setting for this important ministry. Please continue to pray for those who need healing and relief from pain and distress.

WORSHIP

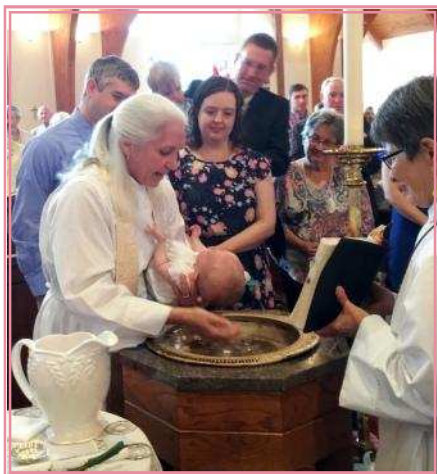

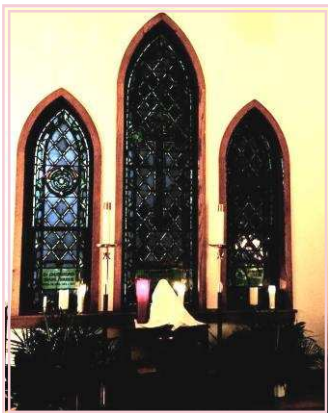

Palm Sunday

Parishioners started off outside with the blessing of the palms and procession into the church on a beautiful Palm Sunday.

Easter Sunday

Holy Week included daily services, an Ecumenical Service at St. Paul's on Good Friday, the Gethsemane Watch in the Tom Davis Library on the night of Maundy Thursday, the Great Vigil on Saturday, April 15, flowering the cross before the 9 am children's service on Easter Sunday at which *Caitlin Faye Vutsinas* was baptized, and an Easter egg hunt for the children following the 10:30 am service. Easter at Holy Trinity was truly glorious!

WORSHIP

HOMECOMING AT ST. PAUL'S IN PENDLETON

PENTECOST SUNDAY, JUNE 4

10:30AM SERVICE AT ST. PAUL'S FOLLOWED BY A CHURCHYARD PICNIC

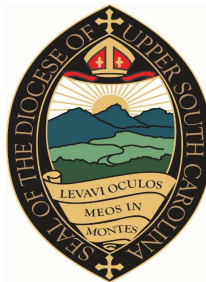

This year Holy Trinity will celebrate Homecoming and Pentecost on the same day at St. Paul's in Pendleton. We will "come home" to St. Paul's, the little church from which Holy Trinity was born, on the day that the Church Universal celebrates the gift of the Holy Spirit. We will have our usual Rite I 8:00 am service at Holy Trinity. At 10:30 am we will celebrate an informal, but festive Rite II Holy Eucharist at St. Paul's, followed by a picnic on the grounds. We will set up food tables and some eating tables and chairs on the parking lot, and we encourage you to bring lawn chairs and blankets to spread on the grass. We'll supply burgers, dogs, brats, and lemonade-please bring a side dish or dessert to share....

AND WEAR PENTECOST RED!

We will need a couple of extra gas grills for cooking up the meat. Please contact the church office (htchurch@holytrinityclemsonton.org or 864-654-5071, ext. 0) if you can help out with that.

Spuds-N-Salad Fundraiser Luncheon for the Youth

Sunday, May 7th After the 10:30 am Service

There will be a youth pilgrimage to New York City on June 11-15, 2017. The Holy Trinity youth will host a baked potato and salad bar luncheon on Sunday, May 7th directly after the 10:30 am service to raise awareness and funds for their upcoming pilgrimage. This will be the only fundraising event before the youth depart on their pilgrimage June 11. During the luncheon, the youth and youth leaders will update us on some of the activities they will be participating in such as preparing and serving lunch at the Bowery Mission, attending the mid-day Eucharist at the Episcopal Church Center and also touring several cathedrals, museums, and other significant landmarks around the NYC area that complement this spiritual journey.

Mary Beth Johnstone

Thank You, Mary Beth !

Mary Beth Johnstone resigned her Vestry seat in order to become Interim Family Ministry Coordinator for Holy Trinity in November, 2016. She has done a wonderful job in this position! The parishioners, staff, and clergy of Holy Trinity thank her for her willingness and dedication to serve the families of Holy Trinity in this ministry.

Holy Trinity's New Family Ministry Coordinator

Chloe Cashwell will be joining the staff at Holy Trinity in May as the new Family Ministry Coordinator. She will serve under the new Assistant Rector Christopher Wilkerson, focusing on Children's Ministry and Family Ministry.

Chloe graduated from Southern Wesleyan University in 2013 with a BS in Psychology, with concentrations in infant and toddler brain development and parent-child attachment. For the past four years, Chloe has been a preschool teacher at The Growing Place in Central, SC.

Chloe is fluent in Spanish and loves musicals. She is married to Ethan, who is the Alumni Coordinator at Southern Wesleyan University. He has a History degree and enjoys cooking and gardening. Chloe and Ethan were confirmed and married at St. Andrew's Episcopal in Greenville, where they enjoyed serving in the altar party and as nursery. They are currently buying a house in Cateechee, SC and are looking forward to putting down roots in the Central/Clemson area.

Rogation Sunday

Rogation Sunday is May 21. Traditionally, Rogation Days are the three days before Ascension Day on which the litany is sung (or recited) in procession as an act of intercession. They originated in Vienne, France, in the fifth century when Bishop Mamertus introduced days of fasting and prayer to ward off a threatened disaster. In England they were associated with the blessing of the fields at planting. The vicar "beat the bounds" of the parish, processing around the fields reciting psalms and the litany. In the United States they have been associated with rural life and with agriculture and fishing. The propers in the BCP (pp. 207-208, 258-259, 930) have widened their scope to include commerce and industry and the stewardship of creation. The BCP also permits their celebration at other times to accommodate different regional growing seasons. The term is from the Latin *rogatio*, meaning "asking."

CHRISTIAN FORMATION

EfM AT HOLY TRINITY

Education for Ministry is a wonderful program for anyone interested in exploring both personal and communal faith theologically and spiritually. It was developed at the School of Theology at Sewanee and has been a part of education at Holy Trinity for over 20 years. It is designed to promote deep and meaningful discussion for those wishing to live as believing, practicing Christians who are willing to look at questions both theological and cultural. The group is small, usually between 6 and 12, and embraces all seekers regardless of background or theological bent. The program unfolds over a period of four years, though students sign up for only one year at time.

Year one students study the Hebrew Scriptures, year two the New Testament, year three church history, and year four Christian theologies and other world religions. We have a group discussion as well, using methods of theological reflection to examine the role of faith, scripture, and tradition in our everyday decisions. We foster a safe and trusting atmosphere for exploration. If you are an EfM graduate, consider coming back to the group. The texts are new – not more big notebooks to carry around – and the discussion topics have been beautifully revised.

EfM meets on Mondays from 6:00 pm–8:30 pm, beginning the third week of August and ending the beginning of May. The tuition for 2017–2018 will be \$375 which includes all materials. Scholarships are usually available for those who need them. We will be recruiting new members in May and the first 3 weeks in June. There will be information about the program and registration forms in the Parish Hall after the Sunday services, and we will be happy to answer any questions. It is not possible to join this class mid-year, so be ready to register this spring if you are interested.

We can promise that you will learn a great deal, question nearly all your theological assumptions, and make new friends for life. Please contact Mel O'Day at mel@oday.net, Boo Wilson at boowilson11@gmail.com, or Wendy Brookes at wbross76@gmail.com if you would like more information.

EDS Hanging Basket Pick-Up Day

The Day School hanging baskets will be available for pick-up on Thursday, May 4, 2017, in the church parish hall. The best times to pick up are between 7:45 a.m. – 3:15 p.m. Thank you for supporting the Episcopal Day School.

Nursery Care Workers Needed

Holy Trinity is looking for caring, compassionate child care workers who have experience caring for infants and pre-school aged children. Hours of summer work will be 10:15–11:30 am and during the school year, 9 am – 11:30 am. If you are a patient, caring professional with experience in child care, we hope you will get in touch about this position.

For more information, please contact Mary Beth Johnstone at 864-506-5570 or mbjohnstone@holytrinityclemson.org.

YOUnified in Christ

A list of monthly YOUnified in Christ activities will soon be available - I can't believe May will be our last month together!

Ellen Girardeau

CARE OF PEOPLE

Highlights of Health Research*

Exercise (1) Older women with sedentary life styles had cells biologically 8 years older than their chronological ages. They had shorter telomeres and shorter telomeres are associated with heart disease, diabetes, and cancer. (2) Adults with arthritic hips, knees, or feet were studied. Those who got 45 minutes of activity per week were 80% more likely to sustain or improve physical function and gait speed. (3) Physical activity can decrease the risk of dying from breast cancer by about 40% and has the largest effect of any lifestyle factor on this outcome.

Diabetes Diabetes has moved up to the 3rd leading cause of death in the U.S.

Laundry Detergent Packets and Eye Injuries A total of 1201 cases of chemical eye injuries from laundry detergent packets (involving 3- and 4-year olds) were reported from 2010-2015.

Use of Antibiotics A Harris Poll and Health Day survey found that 69% of those polled had little or no knowledge that disease causing organisms develop resistance to antibiotics, rendering the antibiotics ineffective. 53% of those polled believed that antibiotics were effective in treating viral infections.

Obesity (1) A meta-analysis of 95 research studies found an association between obesity and cancer (including colon, breast, and kidney). (2) A study collecting data over 12 years found the overall risk of death (from any cause) increased by 10% in people who were overweight, by 34% in those who were obese, and by 98% in the morbidly obese.

Hand Sanitizers The Center for Disease Control (CDC) reported that hand sanitizers can be toxic to children 12 and younger. If ingested, alcohol-based sanitizers can cause seizures and coma.

Cancer (1) The risk of cancer can be decreased by avoiding smoke, screenings for colon and breast cancer, and the vaccine against human papilloma virus. Diet (American Institute for Cancer Research) and exercise are also important. (2) Researchers at the University of California in Los Angeles have developed a blood test to detect the presence, location, and type of cancer in patients.

Mary Martof

CHURCH AND THE WORLD

Funding Students in Haiti

For some time a number of parishioners, led by Dr. Earl Burch, have been supporting university students in Haiti. The situation is best described by Earl's words:

"As most of you know, we have been supporting 15 Haitian university students from Cange. Most grew up in very poor families and have lost one or both parents. They will have no way to attend a university without our help. Several are in medical school. Others major in engineering, accounting, architecture, education, nursing, etc. We are their only hope to continue their educations. Here is a chance to make a real difference, "to love our neighbors as ourselves," to be good Samaritans, "to act in the world as the body of Christ."

Please help if you are able. Typically the cost for living and materials is \$300 per month. Tuition averages \$700-\$800 per year. Room rental is \$600 to \$1000 per year.

These are our children. They live in our village. They graduated from our school, Bon Sauveur. We are their role models. They badly need our love and care."

Donations were collected and sent straight to the students. The problem continued with each new term. So every three months, Earl appealed for more donations and had a system set up for sending funds directly to the students. However, this system is not sustainable on a long-term basis, and the students continue to need funds to support their studies.

In February, the Outreach Committee voted to use some of the funds allocated to the Committee by the Vestry to support these students. Subsequently the Vestry suggested that, in order to make the funding more sustainable, and to recognize the contributions Earl has made over the years to our mission in Haiti, Holy Trinity establish an educational fund to support the students. Any funds allocated for that purpose by the Outreach Committee will be paid into this fund, and parishioners are invited to make donations directly to the fund.

At this time, donations are urgently needed to provide support for these students. If you have supported these students in the past or would like to start helping them now, please make a donation. Checks should be made payable to Holy Trinity. Please write "Haiti Educational Fund" on the memo line.

Kathy Sparks

Vestry Representative to Outreach Committee

CHURCH AND THE WORLD

Family Promise Week

Holy Trinity, with our support church University Lutheran, will be hosting Family Promise from May 7th – May 14th. We need volunteers in all aspects of our host week. Check your schedule and see how you might give us an hour or two of your time.

We are aware that this is the week of Clemson's graduation. If you have want to learn more about how you might help, please contact Eric or Kathy Naeseth at naesethk@aol.com or Liz Halpin at ehalpin59@gmail.com.

We can get you in contact with the Team Coordinator to sign you up for meals, fellowship, or spending the night. If this week does not work with your schedule, there will be another week in the future! Volunteers are the Heart and Soul of our Family Promise. Thank you so much!

Mary's House Fundraiser

MARY'S House, an emergency shelter for victims of domestic violence in Pickens County, will hold a fundraiser entitled "Faith Over Fear" on May 13, 2017 from 6:30 pm to 9:00 pm. Tickets are \$30 each, and all proceeds will benefit MARY'S House.

For more information, contact their administrative office at 864-855-1708, or mail a check to PO Box 132, Pickens, SC 29671, or visit their website at www.MarysHouse.com and donate through PayPal.

United Thank Offering

Our spring ingathering for the United Thank Offering will be held on two Sundays: May 14th and May 21st. This ministry has been blessed by supporters who pray and give back for the many blessings they have received. Please pick up a blue box from the Narthex or from the office and fill it with coins or dollars for blessings received. Please put your offering in the UTO envelope and place in the offertory trays as they are passed during the service on either May 14th or May 21st..

Last year the United Thank Offering collected \$27,544.56 from 31 parishes in our Dioceses.

Please remember to use your Blue Box or the UTO blue envelope as you make your gift. Last year Holy Trinity had only 18 parishioners contribute to UTO—Surely more of us can share our blessings with others! We need your help!

Gravatt Update: Gravatt has begun its Environmental Outdoor Learning Centers with funds provided through the 2017 UTO grant in the amount of \$46,800. The Tree House, the first of three, is complete. There was a ribbon cutting with a cookout and an opportunity to spend time in this classroom 20 feet up on Monday, April 10. Go to the Gravatt website if you are interested in attending.

Thank you,
Sally Morrell

Stained Glass Window Ornaments

The fifth in the ECW series of window ornaments, the Resurrection window, has arrived and will be available in the parish hall Sunday mornings. The window itself was given in loving memory of Jack Stoney Goodman, and it is paired with the Passion or Last Supper window, given in honor of Evelyn Goodman, on the front left side of the Nave. The ornament's cost is \$25, and \$5 of that will be given to

the Evelyn Goodman Day School scholarship fund.

We still have a few of the Annunciation, Rose, and Nativity window ornaments available.

Sally Morrell

CHURCH AND THE WORLD

Rachel Mayo Recipient of New Clemson Professorship to Study Palliative Care for Narcotic-Dependent Newborns¹

Patients at risk of infections from surgical devices, newborns experiencing opioid withdrawal and people with Parkinson's disease stand to benefit from research stemming from Clemson University's 3 newest named professorships.

The Dr. Wallace R. Roy Distinguished Professorships appointments will support translational research partnerships between Clemson faculty members and Greenville Health System and other health system partners.

Dr. Rachel Mayo, a professor in Clemson's public health sciences department, will use the professorship to continue to expand her collaboration with Greenville Health System's Managing Abstinence in Newborns (MAiN) program, an early intervention model for babies born to opioid-dependent mothers. The program offers an innovative model of care that combines early treatment, rooming-in of babies and mothers at the hospital, interdisciplinary care and outpatient medication weaning, which combine to reduce the need for neonatal intensive care.

Mayo collaborates on the program with Jennifer Hudson, a physician in the GHS pediatrics department. Together, they are studying the health outcomes of babies who receive MAiN program care under Hudson at GHS, and compare those outcomes with those of babies who receive traditional care at hospitals around the state. They are also studying the safety, effectiveness and cost-savings potential of the program.

As a Roy Professor, Mayo will expand the research with Hudson to explore other areas of pediatric health, including breastfeeding and jaundice, the usefulness of the Ballard Score (a commonly used technique of gestational age assessment) and a curriculum design for medical students. Mayo and Hudson will also develop an application for a National Institutes of Health grant that would expand the MAiN program to hospitals outside South Carolina.

"The professorship will position our collaborative research team to move to the next level of nationally competitive research in neonatal health research, specifically mitigating the long-term consequences of opioid use that has emerged as a national crisis," Mayo said.

¹Taken from an article by Melanie Kieve in *The Newsstand*, Clemson University Publication, 3/28/2017.

CHURCH AND THE WORLD

Why Go To Church?¹

Why Go To Church?

If you're spiritually alive, you're going to love this!

If you're spiritually dead, you won't want to read it.

If you're spiritually curious, there is still hope!

A Church goer wrote a letter to the editor of a newspaper and complained that it made no sense to go to church every Sunday. He wrote: "I've gone for 30 years now, and in that time I have heard something like 3,000 sermons, but for the life of me, I can't remember a single one of them. So, I think I'm wasting my time; the preachers and priests are wasting theirs by giving sermons at all."

This started a real controversy in the "Letters to the Editor" column.

Much to the delight of the editor, it went on for weeks until someone wrote this clincher:

"I've been married for 30 years now. In that time my wife has cooked some 32,000 meals. But, for the life of me, I cannot recall the entire menu for a single one of those meals. But I do know this: They all nourished me and gave me the strength I needed to do my work. If my wife had not given me these meals, I would be physically dead today. Likewise, if I had not gone to church for nourishment, I would be spiritually dead today!"

When you are DOWN to nothing, God is UP to something!

Faith sees the invisible, believes the incredible, and receives the impossible!

Thank God for our physical and our spiritual nourishment!

IF YOU CANNOT SEE GOD IN ALL, YOU CANNOT SEE GOD AT ALL !

B. I. B. L. E. simply means: Basic Instructions Before Leaving Earth!
