### Keeping the Faith: Suz's Monthly Message

My Dear Sisters and Brothers in Christ,

What follows is a reiteration of a part of my written report to you for the Annual Meeting, held on January 28. That report was written early in January, prior to the series of losses that struck so quickly and closely together. In the aftermath of an overwhelmingly sad time for our parish, I want to make sure that the message about the strengths of our staff gets through to you all clearly.

2017 was a year of continuing transition in the staff, with the additions of **Chloe Cashwell**, Children & Family Minister, and **Deacon Christopher Wilkerson**, Assistant to the Rector and Campus Minister. As you know by now, Chloe Cashwell has also assumed responsibility for Parish Communications with the retirement of Cynthia Spejewski from her position as Parish Secretary. We are blessed with the continuing ministries of our Music Ministers, **Becky Bowman** and **Cynthia Spejewski**. **Wanda Campbell** has joined our Music Ministers as a volunteer in creating our new Children's Choir program. **Lynne Farmer** continues in her Parish Administrator role and whose tireless and efficient efforts keep us on track financially and with facilities management. **Suzanne Watkins** continues to run the Holy Trinity Episcopal Day School with professionalism and personal care for the families who entrust their children to our care. **Jim Hylkema**, our sexton, faithfully takes care of the cleaning and maintenance of our buildings.

In addition to this fine lay staff, we are blessed by the ministry of **The Rev. Christopher Wilkerson**, who is to be ordained to the priesthood the week of this writing. This month of extremely challenging pastoral care has been an apt proving ground for a fine almost-priest. Christopher has shown the compassionate care and poise under pressure that bodes well for his future ministry with us at Holy Trinity. He and I will share fairly equally in the priestly duties of preaching and presiding at our principal services on Sunday morning, as well as providing pastoral care and formational leadership. I am excited by the prospect of possibilities for ministry that are opened up by having two priests to serve Holy Trinity.

Altogether, your Holy Trinity Staff, lay and ordained, is a group of strong, dedicated, and gifted group of professionals who work very hard to support the various ministries of this parish. Our Statement of Mission for 2018 reflects the commitment the Vestry, Wardens, and I have made to compensating and equipping them for their various responsibilities. We have provided for pay increases, job restructuring, and professional development to ensure that our very fine staff continues to grow stronger and more proficient in their jobs. The individuals on our staff bring their best selves to the work of the parish each day. I am confident that we will all benefit from this winning combination—watch and listen for how we grow in 2018 and beyond!

Grace and peace to y'all, Suz +

## WHY DO WE DO THAT?

### *Why do we get ashes smeared on our foreheads on Ash Wednesday?*

Ash Wednesday is named for the practice of blessing ashes made from palm branches blessed on the previous year's Palm Sunday and placing them on the heads of believers. Ashes are usually "imposed" on the forehead in the shape of a cross, with the words "Remember that you are dust, and to dust you shall return." Ash Wednesday is the first day of Lent, and is observed in The Episcopal Church following the rites of the Proper Liturgy for Ash Wednesday. This year, Ash Wednesday occurs on February 14 and, at least within the Church, takes precedence of lesser feasts such as St. Valentine's Day.

The Proper Liturgy contains the following exhortation:

Dear People of God: The first Christians observed with great devotion the days of our Lord's passion and resurrection, and it became the custom of the Church to prepare for them by a season of penitence and fasting. This season of Lent provided a time in which converts to the faith were prepared for Holy Baptism. It was also a time when those who, because of notorious sins, had been separated from the body of the faithful were reconciled by penitence and forgiveness, and restored to the fellowship of the Church. Thereby, the whole congregation was put in mind of the message of pardon and absolution set forth in the Gospel of our Savior, and of the need which all Christians continually have to renew their repentance and faith.

I invite you, therefore, in the name of the Church, to the observance of a holy Lent, by self-examination and repentance; by prayer, fasting, and self-denial; and by reading and meditating on God's holy Word. (BCP 264)

The Liturgy for Ash Wednesday serves as the invitation and entry point into the penitential Season of Lent. The assigned Scriptures and the reading of Psalm 51 set the stage for a personal and communal dedication to the observance of time set aside for drawing closer to Jesus by imitating his retreat into the wilderness in preparation for his ministry. Many people leave the mark of ashes visible throughout the day as a sign of their devotion. It is not necessary to do so.

Ash Wednesday is the trailhead to a path of praxis, a journey of devotion. We will have three opportunities for stepping onto the pathway: Imposition of Ashes will be offered at Holy Trinity at 7 am, noon, and 7 pm on February 14. Please come, and join us on the journey.

## WORSHIP

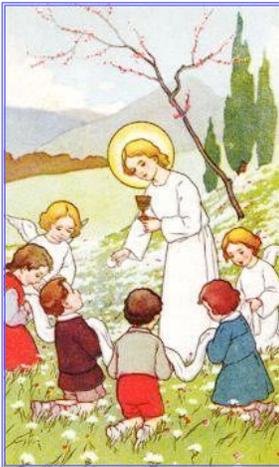

### ORDINATION TO THE PRIESTHOOD

God willing and the people consenting, our very own Deacon Christopher Wilkerson will be ordained to the Sacred Order of Priests on Thursday, February 1 at 6:00 pm at Christ Church Episcopal in Greenville. Your prayers and presence are requested. A reception will follow. Christ Church is located at 10 N Church St. Greenville, SC.

*Note:* We have reserved a 15 passenger van. Please contact the church office if you need a ride or are interested in carpooling. We will plan to leave from the Holy Trinity parking lot at 4:30 pm.

### First Sunday Eucharist

Beginning in February, the first Sunday of each month will take on a new significance. Every First Sunday, our liturgy at the 10:30 am service will be designed to be as inclusive and inter-generational as possible. Although all our services are meant to be inclusive and to cross generational lines, we will put focused intention into realizing those goals with shorter hymns and a sermon preached especially to and for the children of our parish. To encourage families to enjoy church together on First Sundays, there will be no separate Children's Church on those mornings.

We hope these liturgical adjustments will make things accessible for parishioners of **all ages**, with the added benefit of giving parishioners who don't have young children the opportunity to engage with and worship alongside children and parents and to offer them community and support.

### Ash Wednesday Service Schedule

On Ash Wednesday, we ask God to "create in us new and contrite hearts" as we prepare ourselves to walk with Jesus through the wilderness of self-denial and penitence. This begins the 40 days of Lent, which guide us to the glorious celebration of Christ's resurrection on Easter morning.

Join us on Wednesday, February 14 for our Ash Wednesday services: at 7:00 am, 12:00 pm, and 7:00 pm. All services are at Holy Trinity.

Epiphany Eucharist and Celebration

On Saturday, January 6, at 5:00 pm, parishioners enjoyed a family-friendly Eucharist, during which they received a special visit from the 3 Magi! After the service, many enjoyed a simple supper and Epiphany celebration, including playing fun games, in the parish hall. (Many thanks to Rebecca Eidson for the photos!)

## The Liturgical Colors\*

As the dominant colors in nature change with the four seasons of the year, there is a structured change in the colors of the Eucharistic vestments and hangings during the church year. This sequence of liturgical colors has a principal role in Christian visual education.

**White**, symbolizing joy, purity and truth, is used on the Sundays and open days of the Christmas and Easter seasons, ritual services for Baptism and Matrimony, and burial of the dead as well as many major feasts.

**Red**, the color of fire and of blood is used on Pentecost, Palm Sunday, feasts of the Passion of our Lord and on the birthday feasts of the Apostles and Evangelists, and ritual services of Ordination.

**Green**, the color of living things and of God’s creation, is used on the Sundays in the season after Epiphany and Pentecost.

**Violet**, symbolic of penitence and expectation, is used in the seasons of Advent and Lent, for Votives penitential in nature or for the gift of healing.

**Black**, representative of deep sorrow, may be used for Good Friday and for services for the dead.

**Rose**, penitence permeated with joy, may be used on the third Sunday of Advent and the Fourth Sunday in Lent.

**Blue**, in lighter shades, is sometimes used on feasts of the Blessed Virgin. In somewhat darker shades of indigo, blue is frequently used during Advent.

### Highlights of Health Research\*

**Anticoagulants**—Newer direct oral anticoagulants were not associated with higher risks of major bleeding or mortality than warfarin. *British Medical Journal*

**Health Risks in Baby Food**—1. Sixty-five percent of 530 baby food products, including 80% of infant formulas, contained arsenic. Fifty-eight percent contained cadmium; 38% contained lead, and 10% had acrylamide. All of these substances present health risks for developing infants. *Clean Label Project Study* 2. Infant rice cereals had six fold higher levels of arsenic, on average, compared with other grain cereals. *Report from Healthy Babies, Bright Futures.*

**Spacing between Pregnancies and Autism**—Spacing between pregnancies was linked to autism spectrum disorder (ASD). Babies of mothers who conceived less than 18 months or more than 60 months following a previous birth were more likely to develop ASD. *Autism Research*

**Safety of Window Blinds**—Researchers found that 2.7 per 100,000 children under the age of 6 were treated in emergency rooms for injuries related to window-blind cords between 1990 and 2015. They called for mandatory safety standards to prevent accessible window-blind cords. *Pediatrics*

**Stopping Estrogen and Risk of Death**—Postmenopausal women (40,000 Finns) who stopped taking estrogen, particularly those younger than age 60, had increased risk of stroke-related and cardiovascular deaths a year after ceasing hormone therapy. *Menopause*

**Health Risks and Excessive Social Media Use**—The American Medical Association has established a policy that primary-care physicians and schools should educate parents and youths about the health risks of excessive social media use, which studies have linked to higher levels of anxiety and depression.

**Risk Factors for Cancer**—A very large study by the American Cancer Society reported that 42% of cancers were associated with modifiable risk factors: alcohol intake, smoking (first and second hand), excess weight, low-fiber diets, consumption of processed red meat, diets low in fruits and vegetables, ultraviolet radiation, low calcium, and lack of physical activity. *CA: A Cancer Journal for Clinicians.*

**Aspirin and Chronic Obstructive Lung Disease**—Patients who used aspirin at least 3 times a week had more than a 50% reduction in the progression of emphysema or chronic obstructive lung disease throughout a decade, compared with those who did not use aspirin. *Chest*

**Cleft Palate and Topiramate**—Use of the anti-seizure drug, topiramate, at low doses during the first trimester of pregnancy was associated with roughly a 50% higher risk of the baby having a cleft palate or cleft lip. *Neurology*

**Alzheimer's Disease**—Researchers at the Salk Institute found that the experimental drug, J147, delayed or reversed Alzheimer's disease (AD) progression in mice. More work is needed to see whether the drug is effective in treating AD and other aging-related diseases, including dementia, in humans. *Aging Cell*

**Health Effects of Energy Drinks**—Of the 2055 respondents in a survey of Canadian adolescents and young adults (aged 12-24), 73.8% reported having ever consumed an energy drink other than coffee. Overall, 55.4% said they had at least one adverse event—fast heart rate, difficulty sleeping, headache, gastrointestinal symptoms, chest pain, or seizures. *CMAJ Open*

**Profession Rated Highest in Honesty and Ethical Standards**—Nursing was rated at the top again in Gallup's ratings of U.S. professions for honesty and ethical standards.

#### 2017/2018 GOALS

1. Incorporate educational and health promotional care for our parish with the 2017 Fall Adult Sunday School curriculum: "Living As If We Are Going To Die," a forum and discussion class series on both the spiritual and practical issues for the end-of-life care.
2. Compile a list of area resources available to help support aspects of pastoral care and communicate this information via all channels of parish communication (including, but not limited to, our parish web site, *Tempo*, *HT Notes*, Neighborhood Group meetings/socials.)
3. Fully establish our Neighborhood Group Pastoral Care Leader (NGPCL) program, staff each NGPCL position, and define the roles and channels of communication so that each NGPCL interfaces smoothly with the Pastoral Care Ministry Team.

### KANUGA WEEKEND

Holy Trinity invites you to join your parish family for a weekend mountain retreat at Kanuga in Hendersonville, NC, March 2–4, 2018. This year’s program will be led by members of the Holy Trinity Staff, as we learn together about Spiritual Gifts. Holy Scripture teaches us, and experience confirms, that the gifts given by the Holy Spirit are meant for the building up of the Body of Christ and for meeting the needs of the world. Together we will discover the gifts that have given to each of us for those purposes and explore the ways in which those gifts can be used at Holy Trinity as we seek to love, think, and act according to our mission.

In response to your evaluations, we are planning a more relaxed time together with more opportunities for fellowship and outdoor activities. Kanuga weekend provides many opportunities to laugh, talk, meet new friends, and reconnect with old ones. Spend Saturday afternoon hiking or walking the grounds, snoozing before the fire, playing board games, or exploring downtown Hendersonville. Meals will be served in the dining hall. There will be a social hour each evening with time to relax and sing. We will worship together several times, including a Taize service on Saturday evening and Holy Eucharist on Sunday morning. You are free to do as much or as little as you desire.

We are holding the prices steady this year for everyone who registers by February 4th. The cost for adults is \$165 for a double room or \$250 for a single room. Holy Trinity will not charge for children/youth under 18 attending without a parent. However, for those who wish to cover some or all of the cost, the following will apply: Youth (10-18) @\$95; Children (5-9) @\$55; Toddlers (under 5) free; Crib @ \$8. Make checks payable to Holy Trinity with “Kanuga” on the memo line. Alternatively, you may register and pay fees online at <http://holytrinityclemsonton.org/kanuga>. The registration form may be downloaded, printed, and returned to the church office, and forms will also be available in the Narthex. Please register by February 2. Registrations received after the deadline will require an additional \$20 fee per adult registration. Financial assistance available by request—contact Mtr. Suz for more information

### Reform to Authorization Procedures for Holy Trinity Related Expenses

For most of us, the most significant operational changes from the Finance Committee—and approved by the Vestry—come via a series of small but needed reforms to the way we authorize expenditures. We simply needed to better account for the way we practice the business of church business, at the recommendation of our auditor, Mary Ann Prater. Beginning this year, we will ask those making purchases on ministry business to follow new procedures outlined on 4 forms. Given how many of us actively engage in ministry, the 4 new forms were in the 2017 Annual Report following the 2017 Treasurer’s Report and are also inserted at the end of this *Tempo*. The gist of the overall reform is to ensure that expenditures are approved before they are made, by the parishioner leading the ministry team for which the expenditure is requested.

We have had several cases of expenditures made without the awareness and authorization of the ministry team leader—or, for that matter, of anyone other than the parishioner making the expenditure—which I think we can all agree is problematic. It’s not a new or heavier layer of process or bureaucracy so much as it is the same process put in a proper order: authorization first, then purchase, instead of purchase followed by awareness of purchase followed by authorization.

### Stained Glass Ornaments

The reorder on the stained glass window ornaments has come in. Those of you who placed an order have been notified and your ornaments are in the church office. Please pick them up as soon as possible. We did order a few extra so if you would like one please call Sally Morrell at 654-5607 or email me at Sallym29631@gamil.com. The cost is \$25 and the money goes to the ECW for outreach needs. There have been a total of 7 stained glass ornaments offered for sale up to this point. Thank you for your support.

The 2017 Holy Trinity Bazaar and Artisan Market raised \$11,500 for local charities. Prior to the Bazaar, charities were asked to apply for support and outline some funding needs. The women of the church then decided to give each charity that responded something for their diligence in answering our request. The responses were weighted by consensus of ECW members, and the following distributions are being made:

Clemson Community Care	\$2300	Pickens Co. Habitat for Humanity	\$1035
Family Promise of Pickens Co.	\$2300	Mary's House	\$1035
Holy Trinity Episcopal Day School	\$1035	Our Daily Rest	\$1035
Clemson Child Development Center	\$1035	Safe Harbor	\$230
Clemson Free Clinic	\$1035	Oconee Co. Habitat for Humanity	\$230

On behalf of ECW, I would like to thank each and every one of you for a very successful bazaar! Anyone interested in helping in 2018, please contact Carol Yardley by email: [carolyardley@gmail.com](mailto:carolyardley@gmail.com) or Cheryl Desellier by email at [dcheryl@clemson.edu](mailto:dcheryl@clemson.edu).

*Cindy Thackham, ECW Treasurer*

We are pleased to announce that Jean Ellen Zavertrnik has agreed to serve as a Co-coordinator for Family Promise. Please thank Jean Ellen for her willingness to serve when you see her. She has had experience hosting the homeless at her church in Virginia before moving to Clemson. Jean Ellen joined our team for Host Week January 21-28 and will help with subsequent Host weeks.

### St. Paul's - Pardon Our Mess!

We received funding from the Diocese to do some much-needed work at St. Paul's. The church will have the old paint stripped off and will be repainted inside during the coming weeks. Once the mulch from the tree stumps being ground is removed, the parking lot will be repaved. The results will be well worth the inconvenience.

Services at St. Paul's during the renovations are continuing as scheduled: Holy Eucharist on the first Sunday of each month at 5 pm and Evening Prayer on the third Sunday of each month at 5 pm.

## CHURCH AND THE WORLD

### Haiti Medical Mission Team Overseas

Several members of Holy Trinity traveled to Cange, Haiti to spend a week supporting health care initiatives in neighboring villages. Dr. Glen Quattlebaum headed up the team and was assisted by Earl Burch, Suz Cate, Claiborne Linvill, and other volunteers from around the diocese.

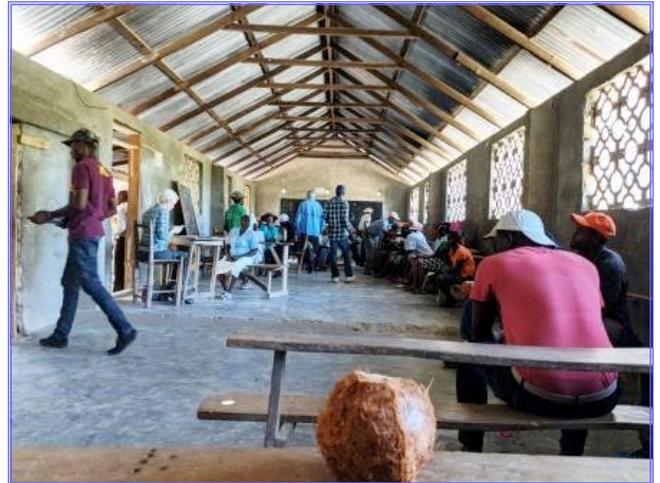

Please keep the good work that our and other teams from the Diocese are doing, along with the people of Haiti, in your prayers. Claiborne documented and reflected on the team's experiences while they were in Haiti. You can read about the mission online at her excellent blog, *Proof or Consequences*, at

### The Suitcase

Washing the scent of Haiti from my clothes  
and gathering adjectives and movements,  
memories and layered dreams.  
Lush and harsh, the landscape frames our days,  
beginning and ending with steps  
duly counted and innumerable.  
Holding hundreds of hands—  
Strangers sharing shy smiles and secret prayers  
in the shady spot under a tree,  
in a breezeway between classrooms  
recognizable by virtue of the blackboard  
painted on the far wall,  
in the shadow of the church,  
facing rows of expectant faces lined up, waiting.  
I want to ask so many questions,  
but with maybe four words of language shared,  
all I can do is sit and smile  
and pat the hand resting on my knee,  
open and relaxed, trusting my expertise  
acquired five minutes ago and over centuries  
of asserting white supremacy.  
Acrid smoke of charcoal fires  
still clings to my clothes  
as I load the washing machine  
directly from my suitcase.  
Unpacking may take a lifetime.

**Coffee Hour**

We all enjoy coffee hour after the 10:30 am service. This fellowship time is gaining more popularity and we are in need of people willing to host each week. There is no pressure to put out an elaborate spread – this is not lunch! If you have a friend you can team up with, even better. If you have never done it before but are willing, we will partner you with someone who will help you.

Please call, text or email Cindy Thackham and she will arrange a coffee hour date for you: 864-280-0539 or [cdjpt@att.net](mailto:cdjpt@att.net).
