Newsletter

December 2018 - January 2019

Dear Parents:

Thank you all for the soup contributions and to the special volunteers that helped during Stone Soup week! Clemson Community Care was very thankful for the many donations, so thank you everyone for supporting our community too!

You have the opportunity to make the Christmas wish of a child in need come true. **Please help us provide gifts for the children of Tamassee DAR School and Children's Home**, a private, non-profit children's home and family services organization located in Oconee County: www.tdarschool.org/. The children's Christmas wishes will be presented on our school Christmas tree through December 7th. Choose a **Wish Star** ornament from the tree. Let your child help you select and purchase the gift, then **bring it to school in a gift bag and place it under the Christmas tree BY Monday, December 10th**. The gifts need to be in gift bags, not wrapped, with the wish star attached. It is never too early to start teaching our children about the importance of sharing with others who are less fortunate. I greatly appreciate your support in this community outreach project!

If this Christmas season puts you in the mood for gift giving, I invite you to make a memorable Christmas contribution in honor of a school staff member(s) to the Day School library. **EDS Staff Appreciation** library books will be in the school office beginning December 10th. A \$20 donation per library bound book. Please let me know if you would like to make this memorable contribution. I encourage that your child accompany you to choose the book(s), in which the teacher's name(s) and your child's name will be inscribed for placement in our school library.

In-house enrollment for the 2018-2019 School Year will begin January 7, 2019. As current Day School families, your children will have priority for enrollment during the month of January, on a first-come-first-served basis. Class rosters will be capped and waiting lists will begin when each class's allotted spaces become full. An Application for Admission will be e-mailed to currently enrolled families in January. Printed applications will be available at the school office. The annual \$80 registration fee is required when the application is submitted. Please contact me if you have any questions.

Sincerely,
Suzanne Watkins, swatkins@holyltrinityclemson.org

SPECIAL DATES

- Dec. 1 Holy Trinity Parish BAZAAR & ARTISAN MARKET 10:00a.m.-3:00p.m.

Staff is attending an early childhood conference

Christmas Program December 20, 2018

Our school *Christmas program* will be **Thursday, December 20th**. All students will participate in this special program of songs beginning at 9:00a.m., followed by a social get-together.

Please bring the children to their classrooms between 8:45-8:55a.m. and then you may assemble in the Parish Hall (big room) for the program. **We ask that each family bring a snack, finger-food item to share at the social. The school day will end after the social and there will be NO early morning care and NO after school care on this day.**

A parent, guardian or caregiver should accompany children to school this day and stay for the event. Children should not be dropped off alone. We look forward to gathering with you to celebrate CHRISTmas! **Please tell your child's teachers as soon as possible, if your child will not be present for the program on the 20th.**

Have a blessed Christmas!

Extracurricular Activities

December 2018

Creative Movement – Mrs. Duncan

November in Creative Movement was all about animals. We had fun the first week pretending to be circus animals. We balanced and stretched on top of buckets, while pretending to be elephants at the circus. Jumping through "fire" hoops like Tigers was much enjoyed by all. We had a couple of songs we moved to, and then ended with an animal parade. Farm animals were celebrated the following week. The Chicken Dance was a lot of fun. We played a Movement game of "Old McDonald," and we acted out the movements of our favorite farm animals. December we will celebrate Christmas and winter while using our favorite prop...the parachute! We will be acting out the classic book, "The Mitten", by Jan Brett. The children love climbing into the parachute as if it were a mitten. We will have fun with a snow storm, using many cotton balls to toss and bounce out of the parachute.

When we return from our Christmas holiday in January, our Creative Movement theme will be "Transportation."

Happy Holidays!

Music – Mrs. Andrus

In November, the children loved all our songs in music time. We sang about falling leaves, twirling pretend leaves as we danced. We also played bells and danced to a neat Native American song. In another song, we paddled our pretend canoes down a river.

We are working hard to learn new songs for the Christmas program. The children have been very patient with the learning process. This month we will spend all of our music time practicing for the program. The Red Birds are doing great learning to play the bells. The program is going to be wonderful!

In the New Year, we will begin to learn about music, high and low, fast and slow; loud and soft; rhythm and more. Music time is so much fun!
