## Newsletter

## February 2019

Dear Day School Families,

It was great to see so many of you at the Christmas Program in December. The teachers and I were so proud of the students' performance! Thank you for bringing tasty refreshments to share.

The Tamassee DAR School & Children's Home was extremely appreciative of your donated wish star gifts. Their thank you messages are posted on the hallway bulletin board. Also, thank you to the many of you who gave cards and gifts to the teachers and me. Your generosity and kind thoughts warmed our hearts.

During January, we had early registration for our current students to enroll for the 2019-2020 School Year. Registration is now open to the public; so if you have not registered your child for the upcoming school year, contact me *immediately* to ask if a space is available or about getting on a waiting list.

The children will be making valentines for the elderly, ill and some single members of Holy Trinity Episcopal Parish. We request that each child bring four \$0.50 (or *Forever*) stamps to school, so that the children's handmade cards can be mailed to these special individuals. Please bring the stamps to school by Friday, February 8<sup>th</sup>. These cards brighten many lives. We appreciate your help to send warm, heart-felt greetings during this chilly season.

I look forward to seeing you at the Annual EDS Spaghetti Dinner on Monday, March 11<sup>th</sup> at 6:00p.m.! The church Vestry and EDS Board will host this complementary dinner for the Day School families and staff in the Parish Hall. During the dinner, the Parent Advisory Council (PAC) will hold a Silent Auction & Raffle. Each class is collecting items to assemble a themed basket for the auction. Please help in this effort by contributing an item by March 1<sup>st</sup>. The basket themes and suggested items are provided on page 2 of this newsletter. Raffle tickets are on sale now. →

Thank you for your donations and your support!  
Sincerely,

### 100<sup>th</sup> DAY CELEBRATION

**Wednesday, February 6<sup>th</sup>**

To celebrate the 100<sup>th</sup> day of school on February 6<sup>th</sup>, we invite each child to bring 100 items to school. Children in past years have brought things like 100 toy cars, 100 Lego blocks, 100 stickers, or 100 jellybeans. Be creative! All of the classes will join together to look at the 100s of items, read a book about the 100th day of school, and participate in some counting games!

### PAC Clemson Tiger Ball RAFFLE

You could win a football signed by the Clemson Tiger defensive line! Tickets will be on sale soon at \$5 each and will be available to EDS families and staff. The EDS office will not handle public ticket sales, but encourage *you* to sell tickets to people outside of EDS.

The drawing will be held on March 11<sup>th</sup> during the EDS Spaghetti Dinner. The winner will be contacted March 12<sup>th</sup> and publicly announced on the EDS Facebook page. Proceeds will support EDS and PAC school efforts/events.

Additional details will be emailed soon!

## Extracurricular Activities

February 2019

### Creative Movement

Creative Movement was all about Transportation in January. We incorporated our stability balls into the fun with songs and hoops while using the stability balls. Transportation on the road was a lot of fun with several songs, including The Wheels on the Bus, and another favorite, *Driving in My Car*. We used Hula Hoops for steering wheels, and played a game similar to the classic, Red Light Green Light. We also had a fun game of 'bus stop'.

For Water transportation, we had a blast rowing our boats across the river. We did this using carpet squares on tile floors. Air transportation was fun using our flying imaginations with Helicopters, Jets, and blasting to space in our Spaceships. We had a couple of movement songs of flying to add to the fun.

Our last week was all about transportation on tracks. The children loved the train obstacle we used for this. We concluded our month with everyone receiving a "driver's license."

February in Movement will be all about body parts. We will have a lot of partner games as well. We will have a lot of partner games, and we will even have some partner acro-yoga fun! The children are already learning some names of muscles and the importance of staying fit. – Mrs. Duncan

### Music

I am so proud of all our children for singing so well for the Christmas Program. Didn't they do great? They learn so quickly. In January, we started learning about music. We learned that every song has a beat or rhythm and how we can make all kinds of rhythm with our hands and feet. For example, clapping, patting, walking, running, etc. We also learned about fast and slow rhythm by pretending to be a slow, fat cat and a scurrying mouse. Along with that we sang songs about snowmen and dinosaurs. Their favorite was "Once There Was a Snowman". Ask your child to sing it for you.

In February, we will start the month driving and flying cars, planes, trucks and trains during our transportation week! Later in the month we will sing songs about families, Valentine's Day and explore high and low sounds in both nature and music. – Mrs. Andrus

## EDS Parent Advisory Council (PAC) Silent Auction

**SILENT AUCTION:** Each class will present a themed basket for the auction and your help is needed filling them! Bring item(s) to school by Friday, March 1<sup>st</sup> for your class basket. Suggestions are noted below, but all appropriate items are welcomed. Feel free to donate items for other classes' baskets, too!

### 2 Year Old Blue Bird Class (Ms. Laura & Mrs. Melanie)
