May 2020

Dear Day School Families:

I will be recognizing a **"4K Graduate of the Day"** on the EDS Facebook page each weekday in May. I encourage everyone to congratulate the 2020 Graduates by posting congratulatory comments on the Facebook recognition posts. Please help me in applauding the 4K Class of 2020!

The teachers will continue emailing weekly lesson recommendations and posting personal videos on Facebook this month. Follow EDS on Facebook and Instagram to see friends, teachers and learning resources. Please share these with your little ones!

EDS is continuing to incur operating costs to pay staff, support student education, and to insure that the facility and learning resources are maintained for when school does resume. EDS is grateful to all who have provided support during this time with donations in lieu of the current month's tuition. If you wish to make a **tax-deductible donation** toward continuing operating costs, please send contributions by mail, made payable to EDS and noted for: "Donation."

Later this month, we will announce drive-through pick-up times to exchange belongings. It will be a time for you to return library books and pick-up your child's changes-of-clothes, artwork, rest-time bedding, and items such as jackets that were left at school. Please **watch your email for the pick-up schedule announcement.**

Thank you for your trust in us this school year, as early childhood educators and caregivers of your children. We sincerely appreciate your support as volunteers, field trip drivers, idea contributors and fundraiser supporters. I extend a special THANK YOU to Brandi Elliott and all of the PAC members for their service and time. I wish everyone joy and blessings through the weeks ahead.

Prayerfully,

Suzanne Watkins, swatkins@holyltrinityclemson.org
