

December/January Day School News

Thank you for the many donations for Clemson Community Care. We were able to exceed our goal of filling the box by Thanksgiving. The donations were delivered to CCC today. Also, our wonderful teachers were showered with delicious goodies on Monday and Tuesday thanks to your contributions. We hope that all of our Day School community has a wonderful, safe and healthy Thanksgiving!

The Advent season and Christmas at the Day School will be different this year as the Clemson Christmas Parade and field trips have been cancelled. However, we have many fun activities planned for your children. We do plan on sharing videos of your children singing Christmas songs as they would during a Christmas program. I will share information on how to view the videos as we get closer to the end of December. Also, we will have Christmas parties in the classroom. Your child's teacher will send more information regarding that in the classroom newsletters.

In-house enrollment for the 2021-2022 School Year will begin January 11, 2020. As current Day School families, your children will have priority for enrollment during the month of January, on a first-come-first-served basis. An Application for Admission will be e-mailed to currently enrolled families in January. Printed applications will be available at the school office. The annual registration fee of \$100 is required when the application is submitted. Please share with your friends, family and co-workers that open enrollment will begin in February!

Important Dates:
