## November 2020

Dear Parents:

Cooler weather will be arriving soon. Please dress your child every day for outdoor play. They enjoy fresh air and lots of exercise so we will continue going outside even when it is cold. Please, label your child's coat, sweater, hat and mittens.

We will be hosting a Virtual Book Fair Fundraiser with Usborne books 11/16-11/30. A percentage of the sales will earn free books and school supplies for our school. I will send out the links and more information prior to the sale. This is a great way to order presents for the holidays and to share the fundraising opportunity with friends and family.

The City of Clemson will not be holding its annual Christmas Parade in person. However, EDS will participate in the virtual program. I will send more information on options for viewing the parade in December.

I hope that all Day School families have a wonderful, safe Thanksgiving holiday. We are thankful for the children, teachers and Holy Trinity Parish members that make our school such a special place to learn and grow.

Blessings,

Lauren Russell

Acting Director

### Thanksgiving Canned Food Drive to benefit Clemson Community Care

**When: 11/1-11/20**

**Where: Drop off items during pick-up or drop-off at EDS**

The Clemson Community Care Food Pantry serves local community members in difficult circumstances. They provide 10,000 lbs of food a month to clients. The need for donations is especially critical this year due to COVID.

Examples of items in shortage: juice, tomato sauce, pasta, grits, crackers, jello, cereal, toilet paper, shampoo, toothpaste, peanut butter and canned meat.

We will incorporate the value of gratitude into our November chapel message. Thank you for helping us to love and serve our neighbors.
