Beginning of the School Year:

Wednesday, August 11, 2021 - Meet the Teachers is a time for children and parents to visit the classroom together, become acquainted with teachers, ask questions and share important information. Individual appointments for families to meet the teacher will be made through Sign-up Genius. Please attend only during your appointed time and be prepared to follow recommended safety guidelines regarding health surveys, temperature checks, wearing masks inside buildings and social distancing. There will be signage in the building to safely direct you to classrooms. We ask that only one parent per child attend Meet the Teachers. There will be signage in the building to safely direct you to classrooms.

Thursday, August 12, 2021 - Student Orientation: ALL STUDENTS ATTEND

Parents should drop children with teachers in the carpool line. We ask that all adults wear a mask during drop-off and pick-up. Additional safety measures that will be in place include a brief healthy survey and temperature checks. Teachers will walk students to classrooms for orientation day. Pick-up will occur via the carpool line as well. Please have a display in your vehicle that indicates which student you are picking-up. The drop-off schedule is staggered on this day only. We ask for patience as we navigate this new procedure.
