

February-March 2023

My Dear Friends in Christ,

There are tremendous possibilities for life-changing, life-giving ministry all around us. I believe that Holy Trinity could be on the brink of claiming those possibilities as our own. It takes the presence and engagement of every one of us to make that happen. Holy Trinity is wonderful community that is worth introducing to people, especially to those who don't know what it's like to be part of a Christian family that welcomes and affirms *all* people. We have something special here. We have our loving, liberating, life-giving God. We have people who love each other and take care of each other. We have *good news* to share!

We also have a ministry field right on our doorstep that is rich with opportunities for sharing that good news. Clemson University is the reason that we are on our "holy hill" in the middle of everything. We have a small city across the street from us, consisting of not just students, but also, faculty, staff, alumni, and visitors. God has placed us here; I believe God is calling us to ministry here. The question that follows from that belief is this: How are we equipped to answer that call?

Last year Fr. Noah, Emma Harrington (our Canterbury Peer Minister), and Sue Smink began working as our Lead Team with The Vinery, an organization whose goal is to develop enlivening, affirming collegiate communities in congregations near university campuses. Lead Teams from congregations around the country and from several denominations gather virtually and in person to share in the learning experiences provided by The Vinery. I stepped in with Fr. Noah's departure and have spent a few months getting caught up with the course of development of strategies for enhancing and growing our ministry with the University community. We have added new members to our Lead Team, Lynn Smith and Charlie Curtis, to strengthen our work with The Vinery in our second and final year with the course.

It is necessary, as a parish, to become intentionally aware of our motivations, expectations, and goals for our ministry with the University community. The first step is a process of deep listening within the parish to identify the gifts that God has provided for ministry with the University community and listening deeply to that community to identify their needs. Then we listen deeply, with the guidance of the Holy Spirit, to recognize where our gifts and the community's needs come together. All along the way, we will discover ways for equipping each member of Holy Trinity for ministry with the University community that is life-giving for everyone involved.

Your part in this vitally important work of discernment is first to pray. Deep listening is most effective when our hearts and minds have been well-prepared in prayer. Pray for all the people who make up the small city on our doorstep. Pray

who make up the small city on our doorstep. Pray for understanding of the needs they have, spiritual and practical needs. Pray for God's guidance in discerning your call to respond to those needs. God may be calling you to provide support for an existing ministry of Holy Trinity—worship, fellowship, formation, or service—or God may reveal to you a new way of reaching out your hands in love.

In the coming months, our Vinery Lead Team will be inviting parishioners to share their responses to discerning questions about Holy Trinity's relationship with the University community:

How would you describe our historical connection to Clemson University?

Using a single word or phrase, how would you describe our existing connection to Clemson University?

What advantages do you see for an Episcopal congregation's ministry with the University? What might we offer to the University community that other organizations either cannot or will not?

What barriers are you aware of for living out our mission to love with the heart of Christ, think with the mind of Christ, and act in the world as the body of Christ in the University context?

What do you see as the future of our connection to the university community, and how do we get there?

It will take all of us, praying, listening, discerning, and working together to get to the future where we are joyfully and faithfully fulfilling our call to ministry with the University community. If you would be interested in learning more about our work with The Vinery, please contact me or one of the Lead Team members. We will soon need to expand the team. Maybe God is calling you join us!

Much love, Suz+

January 2023 Tempo Financial Report **Bob Taylor, Treasurer**

Thanks to many people un-selfishly helping, we survived the Financial Year 2022 better than expected, but not in good financial shape for 2023. We are particularly grateful for the Holy Trinity Parishioners who continue to financially support Holy Trinity's Programs and Missions. The Stewardship campaign was more than \$100,000 short of its goal and required major reductions for 2023 in Clergy (no assistant rector replacement), in the Diocesan Assessment payment and in funds for outreach. However, designated gifts continue to be very generous and were significant in the Nave enhancement and in the retirement and payments of Trinity Place loans. Some specific financial notes of interest include:

The Parish had designated gifts of almost \$600,000 to Trinity Place over the past three years which enabled the early retirement of the acquisition loan and the demolition loan. Moreover, the 2020 construction loan payoff date has been reduced from February 2040 to March 2038. Ample Trinity Place donations and parking revenues have been sufficient for loan payments (this pattern is anticipated to continue for the next few years). Additional principal only payments (when possible) and will continue to shorten the payoff date of the remaining loan (which is Holy Trinity's only indebtedness). Following the January payment, the balance on the construction loan was \$1,281,768.70.

There are adequate balances in most funds, except for the Building Maintenance Fund and the Reserve Funds. Both the 2021 & 2022 Operating Statements of Mission had scheduled deficits which were to be covered by surpluses of previous years and reserve funds (funds set aside for financial shortfalls or unexpected major expenses). The 2023 Operating Statement of Mission has planned income of \$466,500 and planned expenses of \$466,500.

Facilities expenses continue to increase annually, and the additional costs of damaged equipment associated with the early December electrical issues and the frozen/burst pipe in the Parish Hall may present major financial challenges in 2023 unless many of these unexpected expenses are covered by insurance reimbursements.

Holy Trinity has been blessed to be included in Beth Kunkel's will, and more details will be shared with the Parish as Probate of the Will is executed over the next few months.

Current financial data will be included in Tempo monthly. (see page 5)

Stewardship Notes

Love is the first subject cited in our 2023 Stewardship Drive motto, Love, Faith, Hope. And rightly so. Without love, a Stewardship drive is impeded severely and cannot reach its hoped-for fruition. In fact, love is the foundation and center of Christianity itself. Christianity could not be sustained except through God's love living within Christians and expressed through them. The following is the Refrain of a hymn I still have in my mind from my youth, and I think expresses the thought well:

Love is the theme, Love is supreme,

Sweeter it grows, glory bestows.

Bright as the sun, ever it glows.

Love is the theme, the eternal theme!

The Parish needs your pledge, through your love. The Parish can only function to the extent of its pledges. Our pledges are an expression of love to God, love to the Parish, and love to others. Failure to reach our goal will not only mean a restriction on our planned programs for the year, but will limit the sharing of our blessings with the outside world.

Financial Summary

Operating Fund	Actual	Budgeted	Difference
Income	\$47,231.12	\$38,875.00	\$8,356.12
Expenses	\$51,806.55	\$38,875.00	\$12,931.55
Special Notes	Income includes a single large donation, possibly for the entire year. The January Expenses included \$14,650.52 for December's electrical damages and frozen/burst pipe some of which will be insurance reimbursed.		

Lent

"self-examination and repentance;
prayer, fasting, and self-denial; reading
and meditating on God's holy Word.

LENT 2023

Lent is a period of 40 days during which Christians remember the events leading up to and including the death of Jesus Christ, whose life and teachings are the foundation of our faith. The 40-day period is called Lent after an old English word meaning 'lengthen'. This is because of the time of year when it happens, as this is when the days start to get longer, as we approach the Spring Equinox. Lent is a penitential time of reflection and of asking for forgiveness, and when we prepare to celebrate Jesus's resurrection at the feast of Easter, which comes at the very end of Lent.

Lent begins on Ash Wednesday, which falls on February 22nd this year. The Proper Liturgy for Ash Wednesday includes readings that reflect the solemnity of the occasion, the Litany of Penitence, and the imposition of ashes, administered with a sobering reminder of our mortality. We will offer the Proper Liturgy for Ash Wednesday in the Nave at Holy Trinity at 12:30 pm and 7:00 pm. In years past, we have offered a shorter service designed for children in the late afternoon, and we will do so again this year.

Our Lenten worship services tend to be more subdued than in other seasons, although we still greet the Real Presence of our Lord in the Holy Eucharist with joy and gratitude. Each service will begin with either the Great Litany or the Penitential Order provided for use in Lent. Our song of praise at the beginning of each service will be the Kyrie Eleison—Lord have mercy. As we move toward Holy Week and its great solemnities, we will settle into the spiritual riches that the season of preparation has to offer.

The observance of a holy Lent traditionally includes practices of "self-examination and repentance...prayer, fasting, and self-denial" and the reading of Scripture. The fast one chooses should be considered thoughtfully, seeking to deny oneself for the sake of drawing closer to Jesus in solidarity with the 40 days of fasting that he endured after his baptism. More than giving up a favored treat, it should be a real sacrifice that cuts away dead wood from our daily routines. For this reason, many people consider a social media fast for the season of Lent, spending their scrolling time in prayer or study of Scripture instead.

Continued on next page.

Continued from previous page

Whatever fast you choose, remember that the prophets often reminded the people of God that the form of the sacrifice doesn't matter nearly so much as its intent and impact.

Is not this the fast that I choose:

to loose the bonds of injustice,

to undo the thongs of the yoke,

to let the oppressed go free,

and to break every yoke?

*Is it not to share your bread with the hungry,
and bring the homeless poor into your house;*

*when you see the naked, to cover them,
and not to hide yourself from your own kin?*

*Then your light shall break forth like the dawn,
and your healing shall spring up quickly;*

your vindicator shall go before you,

the glory of the Lord shall be your rear guard.—Isaiah 58:5-8

The Season of Lent offers the opportunity to prepare for the light that breaks forth at Easter, the glory of the Resurrected Lord that protects us from the power of sin and death.

Children's Choir

As I look around church on Sunday mornings, I see so many children returning to worship; and in my mind I think how wonderful it would be to have even half of those children participating in our children's choir. Of the five children who have continued to rehearse through trying times, we are blessed to have three from other churches join us. If your child likes to sing, we welcome him/her into the rehearsals at any time. Former members are welcome to rejoin at any time as well.

All groups rehearse on Wednesday evenings, with Grades K-3 meeting from 4:45-5:05 p.m. Grades 4-8 join the younger group from 5:00-5:05 to combine on an upcoming anthem, and then continue rehearsing from 5:05-5:30. The older group sings on the first Sunday of every month (September – June). The younger children join them on the first Sunday of October, December, March, and June, as well as Lessons & Carols, Christmas, and Easter. If we had enough members, the ideal would be to have three levels of children: K-2, 3-5, and 6-8.

If your child would like to participate, please email (cspejewski@gmail.com) or text (864-650-8480) Cynthia Spejewski. If your child friends who would also like to sing, we would welcome them as well.

Outreach Expenditures in 2022

Excerpted from the Annual Report

Being back in church in person has definitely been the highlight of this year. Members of Holy Trinity continue to be engaged in and foster direct outreach activities both locally and internationally. A total of \$29,000 was allocated for Outreach by the Vestry in the 2022 Statement of Mission. The Outreach Committee met quarterly throughout 2022 to discuss allocation of funds and specific needs of our different ministry commitments. Based on the assessed need, these charities directly received outreach funds in the following amounts during 2022:

Clemson Child Development Center	\$1600
Clemson Community Care	\$100
Clemson Free Clinic	\$100
Our Daily Bread	\$100
Our Daily Res	\$1500
Safe Harbor II	\$3000
Episcopal Relief and Development..	\$100
Family Promise.....	\$3500
Haiti University Students	\$12,000
Shaw Center.....	\$2500
Paw Pantry	\$500
Afghan Refugee Needs.....	\$304.89
Partners In Health-Medication	\$3340
Priest's Discretionary Fund.....	\$355.11

Many of our parishioners donate untold hours of their time volunteering with many of the organizations you see listed above as well as others that did not make it as a distribution line item. In addition, many of our parishioners also donate funds directly to these organizations and others. These ministries cannot be quantified, but they make our presence known in the community. Holy Trinity's outreach to the greater community is much more than just the above budget items, although in many cases, cash is exactly what is needed!

The Outreach Committee is thrilled to welcome new members: Anne Bryan and Ginny Gaulin! If you would be interested in joining this ministry team, please contact Rachel Mayo or Rachel Rowe.

Growing in Christ

Growing in Christ FAMILY MINISTRY

Holy Trinity families,

November and December saw lots of fellowship for our families, children and youth.

In November, our youth held a spaghetti dinner. Tickets were sold in advance and the monies from this will be used for upcoming community service projects. With the amazing support of our parish, our youth were able to raise over \$500! Thank you to those of you who donated, dined with us and helped. Shrove Tuesday's pancake supper on February 21 will provide another opportunity to support our youth in their efforts.

Service projects play a big part of how we are connecting with our greater community. Our youth love being involved and these projects are ways they can serve and grow in Christ.

On Sunday, December 11, Bill Purkerson and Alex Pratt took some of our youth to volunteer with the Country Santa program in Pickens. They were able to sort and bag gifts that were delivered on Christmas Eve to over 500 families.

I am working to continue to grow our community connection efforts. We have several opportunities coming up each month starting in January. Be on the lookout for ways you can contribute.

December brought us Advent and Christmas. We kicked off Advent with our annual "Advent Gathering". We held a parish wide lunch with Advent wreath assembly and cookie decorating. Thank you to Mrs. Dorothy Meeks and Mrs. Cindy Thackham for making cookies and providing supplies for decorating. Thank you to Bill P. for prepping the lunch!

We saw lots of families for our Christmas Eve children's service. Thank you to our young acolyte servers, Eric, Graydon and Caroline, what an awesome team! Alice, Addison and Josie helped tell the Christmas Story by placing the Nativity figures in the Creche. The children's choir did amazing as well. It is always wonderful to have our children and youth involved in the services.

Our amazing children's choir

I have enjoyed getting to know our parish family along with our children and youth. I know how busy families are and I appreciate each and every one of you for the support you have shown me. I have had volunteer support that has gone above and beyond. To those of you that help with our youth events and community outreach projects, I could not have done them without you. Our Sunday school leaders, Bill P. and Sheilah are amazing with relating the lesson each Sunday to our children and youth. I hope to see each of you on Sunday mornings. I want to continue to grow our volunteer base. There are many opportunities to serve at Holy Trinity, I welcome you to inquire and learn what these needs are. As always, please continue to check Holy Trinity's website, facebook page and emails to stay up to date. We have lots of fellowship and service opportunities coming up.

LENTEN PRAYER PARTNERS FOR OUR YOUNG PEOPLE

In our rite of Baptism, we promise to do all we can to support the person being baptized in their life in Christ. One of the most basic, yet powerful, ways that we can do that is through prayer. During the season of Lent, we will partner volunteers with a young person from the parish for prayer. The youth will be informed that someone in the parish is praying for them during Lent. They will fill out a brief questionnaire so that their prayer partner has some information about the youth for whom they are praying, including their hopes, dreams, worries, and specific prayer requests. Volunteers will receive a packet before Ash Wednesday and will pray for the young person anonymously throughout the season of Lent. On Sunday, April 23, we will have a celebration lunch for the youth of the parish and their prayer partners. Please contact Jerae if you would like to volunteer to pray for one of our youth during Lent.

CALLED TO MINISTRY?

On March 25th of this year, we are having a Day of Information for Ordained Ministries in the Diocese of Upper South Carolina. This Day of Information will be hosted by the Commission on Ministry, which is named to recruit, interview, and recommend people for the ministries of the church, especially the ordained ministries. This Day of Information will begin a yearly process of recruitment, interview, and recommendations for ministry. We will start with presentations on ministry, orders, and an overview of the process. If you or someone you know may be gifted for a specific ministry in the Diocese of Upper South Carolina, this is the moment to begin discerning with us whether that call may be vocational.
