## Keeping the Faith

My Dear Friends in Christ,

I pray that you are relishing the beauty of God's creation, which is especially glorious in the Upstate in the months of April and May. As we have observed the season of Lent, the solemnities of Holy Week, and the joy of Easter, I have been overwhelmed with gratitude for ministries of so many of you in this parish! Our worship services have been rich and meaningful, thanks to the tireless efforts of so many members of our Altar Guild, our choirs, and our liturgical ministers. Our children and youth are being taught the basics of our faith by caring and loving adults (although more volunteers are needed to provide consistent teaching). Fellowship and Parish Life have brought us together to break bread and play together, surefire ways to build up the community of faith we call Holy Trinity Episcopal Parish.

Our Pastoral Care Team has once again delivered goody bags as tokens of love to those who can't join us in person, or who might just need a reminder that they have a church family who loves them in a time of difficulty. The PC Team has also provided meals, cards, and prayer shawls in the same spirit. Our Mary Moxley Laib Chapter of the Daughters of the King maintains a confidential prayer list, praying daily individually and meeting weekly to pray in community for the concerns that are brought to our attention. Now that flowers adorn the altar again, the DoK will resume their ministry of flower deliveries each week.

We continue to see significant numbers of University students in church each week. Canterbury of Clemson is small in numbers, but mighty in spirit and faithfulness. This is the most active group of students I have witnessed in my time here, gathering for fellowship and faith formation, getting together for Bible studies on campus, as well as jumping to help out as needed. We have Canterbury students serving at the altar, helping with Sunday school, and even providing parking assistance for a recent funeral.

The Episcopal Day School is flourishing, and the bonds between school and church are very strong. We regularly see EDS families joining us for worship. Our parish hall walls are adorned with delightful works of art created by our EDS students. Our EDS board works hard to provide support and guidance for the Director and

# Leadership Communication

Teachers and has been actively engaged in helping EDS regain its financial and institutional health after the challenges of the past 4 years.

Our Stewardship and Financial Committees work hard to help the Vestry fulfill their obligations to fund the ministries and programs of our parish, as well as maintaining our properties. The St. Paul's Committee plans for the upkeep and continued use of our beloved Mother Church in Pendleton. The Vestry not only takes care of the practical concerns of the parish, they work to set the mission and vision for Holy Trinity, with your input and the guidance of the Holy Spirit.

As you can see, this little parish provides levels of ministry well beyond most congregations of this size. It is this spirit of giving and doing that makes Holy Trinity so special and such an integral part of our community. The thing is—it takes every member of the church answering the call to ministry to make it happen. Every one is called to active ministry in the church by the promises of our baptismal life. Some minister by being parents and bringing their children to church. Some minister by being cooks and feeding people at church and in homeless shelters. Some minister by being servants in our liturgies. Some minister by being handy with garden and building tools. Some minister by praying. Some minister by making things that are beautiful and useful. Some minister by being welcoming. Some minister by giving financially to support the work of the church. All minister by recognizing and offering the gifts they have been given by our living, loving God. For all these and so many more ministers of the Good News, I give thanks and praise to God!

If you are unsure of what your gifts are and to what ministry you are called, please reach out to me or to your Senior Warden, Mel Harriss, or to any member of the Vestry. We will be happy to work with you to discern *your ministry in the church!*

Much love, Suz+

# Senior Warden's Report

## *Senior Warden Notes from Mel Harriss*

Hello, Holy Trinity Parish. I look forward to serving as your Senior Warden over the next year. I follow in the footsteps of the wonderful Ellen Haase, Senior Warden over the last two years who guided us with prayer, faith, and very hard work through some difficult times. God has blessed her leadership and Holy Trinity.

My job is to continue to work with our staff, the Vestry, our parishioners, and the Diocese of Upper South Carolina to move us forward as the Episcopal Parish in Clemson and Pendleton. My prayer is that Holy Trinity will continue to grow in all ways.

The Survey Committee under the leadership of Hap Wheeler is grateful to the many (127) respondents to the survey. Of course, your many thoughtful, honest, and caring responses have provided the committee with many hours of review and study before the findings are presented to the Vestry and the Parish. We look forward to presenting the findings in the next few months and using the information you have provided as we work on the Strategic Plan for Holy Trinity Parish.

The Assistant Rector Fund has \$61,232.87 as of 02/29/2024. Ellen Haase and her Committee of Jan Cribb, Jim Reed, Bob Taylor, Bill Purkerson, and Charlie Curtis continue to work toward building the fund and the job search. I ask that you continue to pray that God will bless our efforts to find the Assistant Rector who will bless Holy Trinity and be blessed by Holy Trinity.

Finally, I ask that you prayerfully consider your role as a parishioner of Holy Trinity. Our church is not our beautiful buildings and grounds in Clemson and Pendleton but all of us members and supporters of the Parish. We need your participation as volunteers. Do you enjoy children and youth on a short-term basis? Volunteer for a month of teaching Sunday School so that our youth will know we care about them. Do you attend services most Sundays? Consider volunteering to read, become a Eucharistic Minister, join the choir or the Altar Guild. Interested in more Fellowship opportunities? Talk with Jerae Wallace about Parish Life opportunities. Attend the ECW Night of Fellowship, Food for Thought dinners, or the Men's Book Club. Every year, new Vestry members are needed. Please consider joining the Vestry, if not in 2025 then in 2026 or beyond. Unable to answer any of these requests—then pray that others will answer the call and those who have will be encouraged in the work that they are doing.

Thank you for all your prayers and good wishes for me as Senior Warden. Please contact me with any questions or concerns. [melharriss@bellsouth.net](mailto:melharriss@bellsouth.net), [mgh1089@gmail.com](mailto:mgh1089@gmail.com)

# Church Financial Report

## March 2024 Tempo Financial Report Bob Taylor, Treasurer

Two months into Holy Trinity's 2024 Financial year, things appear to be slightly behind schedule with respect to both actual income and expenses and budgeted income and expenses.

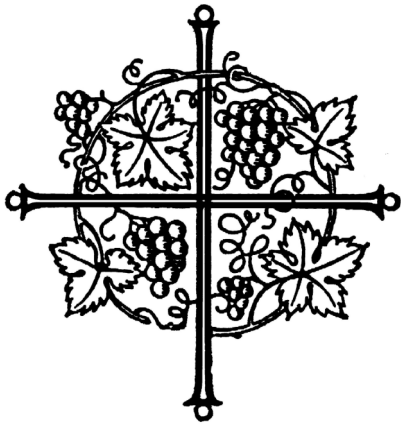

February 29, 2024 Finances	February Actual	February Budget	Actual Year to Date	Budgeted Year to Date	Difference
Plate Offerings	\$10,529.29	\$5,000.00	\$14,916.32	\$10,000.00	\$4,916.32
Pledge Offerings	\$31,754.72	\$39,333.00	\$64,766.02	\$78,666.00	(\$13,899.98)
Total Income	\$42,284.01	\$44,333.00	\$81,682.34	\$88,666.00	(\$6,983.66)
Expenses	\$39,147.61	\$44,588.00	\$82,436.06	\$86,157.00*	(\$4,439.94)

\* **Special Note:** Budgeted Year to Date Expenses less than Budgeted Year to Date Expenses reflects salary adjustments not going into effect until February 1<sup>st</sup> following the Vestry's official approval of the 2024 Statement of Mission in January 2024.

No large unexpected expenditures during the first two months of 2024 contribute to the expenses to date being almost \$4,500 less than budget. The usual lag in pledge income at the start of a calendar year is again reflected in income to date being almost \$7,000 less than budget. Expenses through the first two months of 2024 are slightly above (\$753.72) income to date. Generous parishioners' gifts for principal-only payment have significantly lowered Holy Trinity's only indebtedness, and a larger portion of the required monthly payment of \$8,983.77 (from Trinity Place funds) continues to reduce the loan balance further.

**Trinity Place Loan Balance, January 1, 2024: \$678,709.26**  
**Trinity Place Loan Balance, February 29, 2024: \$664,561.07**

Father, truly, we are your servants. In you, we live and move and have our being. We offer you our thanksgiving and call on your name. We love you, Lord, for you hear us and respond in graciousness and compassion and righteousness. You deliver our souls from death, our feet from stumbling, and our eyes from tears. Now receive our tithes and offerings, we pray. Multiply them so that your work and word can go forth. Amen.

## Seasonal Notes:

### Eastertide, Ascension, and Pentecost

*“But now the power of Easter has burst upon us with the resurrection of Christ. Now we find in ourselves a strength which is not our own, and which is freely given to us whenever we need it, raising us above the Law, giving us a new law which is hidden in Christ: the law of His merciful love for us. Now we no longer strive to be good because we have to, because it is a duty, but because our joy is to please Him who has given all His love to us! Now our life is full of meaning!” –Thomas Merton, Seasons of Celebration*

**Eastertide** is a 50 day season of celebration of the Resurrection of Our Lord, which has set us free to become the people of Christ’s Body we were made to be. Our worship services will be filled with acclamations of the joy of this season, and our Scripture readings will be focused on discovering again the wonders of the new life that has been given to us. Readings from the Acts of the Apostles and the Gospel of John will help us to relive the astonishing awakening of the early church to the meaning of the Resurrection. The liturgical color is white.

**The Feast of the Ascension** occurs 40 days after Easter, celebrating the return of the Son to the heavenly realm to prepare for the sending of the Holy Spirit as the first gift of God to the Church. (See Mark 16:19, Luke 24:51, and Acts 1:2.) The theological significance of the Ascension is that Jesus returned there in his eternal, human body—not as a purely spiritual being—establishing the fullness of humanity in himself. In the mystery of the Ascension, Christ brings human nature to the divine Kingdom. This is the foundation of our hope of the general Resurrection of all who believe and put their trust in the salvation of Christ. We will celebrate the Ascension of Christ on Thursday, May 9, with a Holy Eucharist at 12:30 in the Nave.

**The Feast of Pentecost** is the celebration of the gift of the Holy Spirit to the Apostles, creating the community of the New Covenant, also known as the Church, the Body of Christ. “Pentecost” means 50th day, and it is a Jewish festival of the harvest and the giving of Torah to the Israelites in the wilderness. It was on this festival day that the Holy Spirit descended upon the Apostles, Mary, and other followers of Jesus in Jerusalem (Acts 2). The Holy Spirit bestowed the gift of preaching and sent the followers of Jesus out into the world to obey the final instruction of Jesus to go forth making disciples and teaching the Gospel of peace, hope, and salvation in his name. We celebrate this feast with joy on May 19 this year. We will celebrate the Holy Eucharist at 8:00 at Holy Trinity, and at 10:30 at St. Paul’s, with a picnic following in the churchyard. The liturgical color is red, for the Holy Spirit, and all are encouraged to wear red on that day.

## Refugee Support Report

We have now been partnering with Lutheran Services Carolinas for almost three years. Several parishioners of Holy Trinity joined Circles of Welcome to provide support for families fleeing from Afghanistan after the withdrawal of US troops in 2020. Since then, many of those families have moved on to other parts of the country where there are significant communities of Afghans and Afghan-Americans. More recently, LSC has welcomed refugee families from Ukraine, various areas of Africa experiencing intense conflict, and several new families from Afghanistan. Holy Trinity has hosted ESOL classes for the women and children of refugee families for the past two summers and hopes to do so again this year.

LSC is partnering with Open Arms Refugee Ministry to provide a day of orientation to the cultural and civic practices of the United States, South Carolina, and Clemson. As you might imagine, in many cases the adjustments to the differences these families experience when they arrive are quite significant. We are happy to host this event at Holy Trinity this month on April 20<sup>th</sup>. Please note that if you are planning to park at Holy Trinity for the Clemson Music Festival that day, the upper parking lot will be reserved for this event from 9:00 am – 5:00 pm.

There will be opportunities to become directly involved in future Circles of Welcome and in providing hospitality for future classes and gatherings to support the refugee families who continue to be resettled here in our community. Please prayerfully consider how you respond to our Lord's call to welcome, feed, and take care of our new neighbors.

## Volunteer Opportunity

# Our Daily Bread

Our Daily Bread, Oconee County's Soup Kitchen located in Seneca, is searching for volunteers to serve and assist with lunch preparation at their facility Monday through Friday each week. Individuals who volunteer work in teams of 5 and are requested to work from 9-1 to help with meal preparation, serving and clean-up. The kitchen serves approximately 130 meals Monday-Friday, and is currently short of volunteers on Mondays, Tuesdays, and some Fridays. If you are interested in volunteering, please contact [Lee Molz](#) at 864-985-0855 or [molzf@bellsouth.net](mailto:molzf@bellsouth.net).

# Growing in Christ

## Growing in Christ FAMILY MINISTRY

**Tori received a keepsake quilt from one of our parishioners, marking her time at EDS.**

Holy Trinity Families,

February brought lots of new beginnings with our Holy Trinity families and youth.

ECW organized a shower for Tori Jayroe with a delightful "Baby Brunch". Tori grew up in Holy Trinity and attended EDS. It was a truly special day. Thank you to the ECW for helping accomplish this and thank you to all those who attended. We can't wait for the new addition!

Our confirmands began their confirmation prep. It has been so wonderful getting to know them. They are all full of questions and ready to begin their spiritual journey to learn more about their Episcopal Faith. If you see them, please give them encouragement!

## FAMILY MINISTRY

We finished out February with our traditional Shrove Tuesday pancake supper. Pancakes, bingo and prizes made for a fun night as we all prepared for the upcoming Lenten season. We saw lots of families and also welcomed several of our EDS families and other guests. None of this would have been possible without the help of our wonderful volunteers.

## FAMILY MINISTRY

---

During the Lenten season, our youth sold "Easter Crosses" to raise money for Clemson Community Care. They will present their donation in April. Thank you to everyone who supported their effort.

We have style! Our youth helped come up with a design for t-shirts and sweatshirts for us to wear when we are out representing Holy Trinity. If you would like one, please check the cart in the Parish Hall. They are going quick!

**May 5** will be our last fellowship lunch at Holy Trinity until August. Make your plans to join us for a delicious taco bar!

**May 12** is **Mother's Day**, we will celebrate all mothers in our lives by offering red or white carnations, please look for them before each service that day. Come early or between the services and enjoy a full breakfast as well. We will be **celebrating our graduates** during the service on **May 12**. We welcome those graduating from EDS, High school and College or any other program. Please let us know if you wish to be recognized or have someone whom you wish to be recognized.

**May 12** is also our last confirmation prep class until we resume in August. This date will be our last day for children and youth formation. We will not offer nursery or Sunday School beginning **May 26**. We will start back in August.

As always, during our summer months, we will host "Wild Wednesdays" with fellow youth groups. Please look for those communications and let me know if you would like to be a chaperone for any of our Wednesday suppers or games.

## FAMILY MINISTRY

---

Lastly and most importantly, I am reaching out to all of you to make a plea to help with our family ministry, especially with our Sunday School. I have continued to put forth efforts for our families, children and youth in order to contribute to their discovery of faith. I am not seeing the growth and commitment I had hoped for. I want to continue to be able to offer Sunday School and other formation opportunities while providing options for families with all aged children, but I cannot do this alone.

Sunday School in the church not only strengthens the faithful, and includes not just preaching, but teaching and community, therefore, both encourage and strengthen the church along with its people. You don't need to be a biblical scholar, you need to be a significant adult in the lives of our children and young people. We learn to be disciples from each other and what better way to be an example of this. Not only will our children benefit, but we will all equally benefit from these relationships. We must encourage faithfulness and teach our children and youth to become righteous examples.

If you don't feel called to lead Sunday School, a great way to help grow our families is to become involved with our other fellowship opportunities, help serve at the lunches or volunteer to monitor kids with activities.

Sometimes a simple "Good morning" or "Great to see you today" when you see our children and youth in church, especially when they are serving can help them feel a connection.

The vitality of this church depends on the growth of our families and children and I am relying on our entire parish to help me continue towards this upward growth.

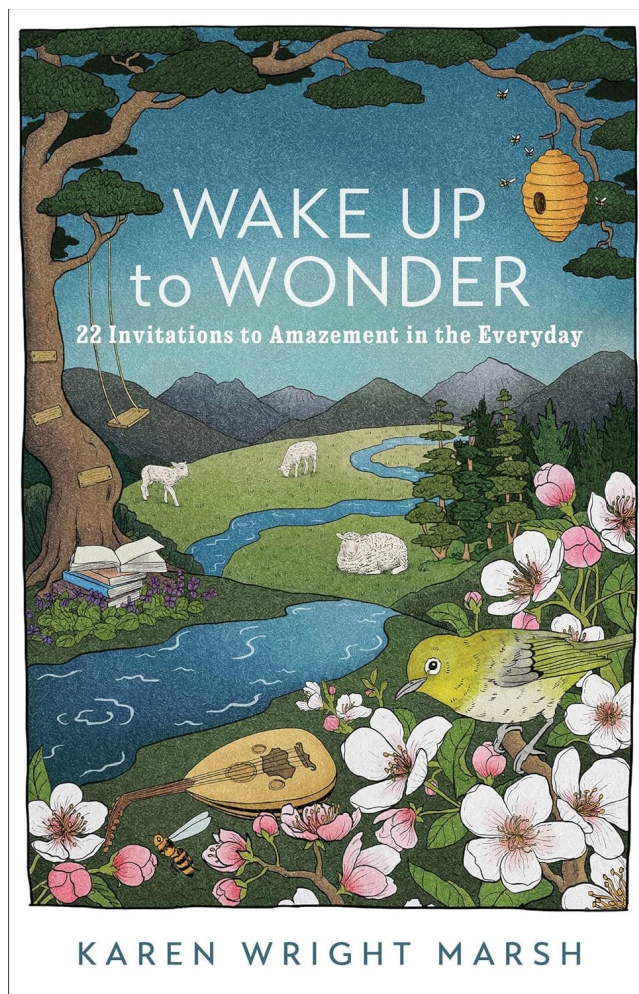

Peace,  
Jerae

## An Invitation to Wonder

*Wake Up To Wonder: 22 Invitations to Amazement in the Every Day* is a lovely book to turn to during Eastertide! Last year, I wrote about Karen Marsh's first book, *Vintage Saints and Sinners: 25 Christians Who Transformed My Faith*. In this second book, Marsh expands upon her approach to following *people* rather than a *plan* to deepen her faith and its practices. Each section of this book introduces us to a delightful diversity of saints to emulate, and Marsh then offers practical guidance for incorporating the insights of each one into simple to follow practices designed to open our eyes to the graces of God's presence in our world and in our lives. This book is meant to help the reader engage in holy experiments with "physical health, prayer, activism, Scripture reading, and creativity." There is truly something for everyone within the pages of this book.

## *The Way of Prayer Retreat 2024*

The drive was wet but we were welcomed at Camp Fellowship by a roaring fire in a stone fireplace. After checking in and enjoying social hour and a delicious dinner, Amy Montanez (retreat leader) opened the program with discussion on what is prayer and the different types of prayer. Complimented the evening and participants were free to hang out, work on the 1000 piece puzzle, or go to their rooms for some much needed rest.

Saturday, after morning prayer and breakfast, Amy led us to discuss Body Prayer - using our bodies as we pray. Who knew Sun Salutation is a perfect motion for the Lords Prayer? The afternoon was spent reading on the porch, walking the shoreline, hiking through the camp and conversing at the swings. The evening program involved making our own Anglican rosary, praying the rosary, and having lots of laughs with tears of joy.

Sunday morning began with breakfast and ended with Holy Eucharist. Participants administered communion to each other. The Passing of the Peace was done at the end with a unique folding in. Many new friendships were made and old friendships strengthened. We are looking forward to making even more new friends at the retreat next year.

## *A Note of Thanks*

On behalf of me and my entire family, I wish to thank all of you who shared your boundless love and support as we navigated through the decline and death of my dear mother, Louise Shippo, and her beautiful funeral service. At the risk of leaving some people out, I want to express how grateful I am to Harry Morse for his advocacy of mother's best interests during her decline; Mother Suz for her support in the days leading up to her death and tireless work in planning the funeral; the Pastoral Care Committee, who sent notes of encouragement; the office staff, our amazing choir and organist; the folks who helped to direct parking, including Chris Heerwagen and two Canterbears, Scotty and Carter; Jerae Wallace who helped with last minute details; Anna McKenna who handled altar guild duties; Kathryn Cauley, Mims Catherine McTigue, and Bob Taylor who served as acolytes and crucifer; Will Cate and Hap Wheeler who served as readers; the technician for the livestream broadcast; Beth Newton, our usher; and the many others who helped behind the scenes without anyone noticing. Finally, to all of you who were able to attend the Mass of the Resurrection to celebrate the life of one of God's humblest servants. Thank you all from the bottom of my heart.
