Support the 83rd Annual Holy Trinity Bazaar and Artisan Market

A highly anticipated community tradition featuring the handiwork and craftsmanship of local artisans. Help make this year's Bazaar special by donating treasures, handmade creations, and plants.

Silent Auction Donations

The Silent Auction is looking for unique items. Please contact Mel Harris or Judy Curtis if you have something to contribute for this year's Silent Auction. Email: judystech730@gmail.com. Will your donated treasure be the one item that causes a bidding war?

Crafts Table Donations

The Holy Trinity Bazaar Crafts tables would love to include any handmade wooden, knitted, sewn, or other craft item from you. Please let Sally Morrell know what items you are donating: 864-710-5264. It is helpful for us to receive items at least a day ahead of the Bazaar, along with a suggested price. We are always grateful for items that add variety to our booth and contributions to the income we donate to local charities.

Plant Booth Donations

Is it time to downsize your houseplant inventory, make room for new plants, or thin plants from your garden? Pot and bring us your castoffs, overruns, and space crunchers. We are looking for plants to sell at the Holy Trinity Bazaar Plant Booth.Bring your plant donations by the parish hall on Friday afternoon before the day of the bazaar OR text or email Rachel Rowe and she will work out a time to come pick up any donations from you. 864-710-3438, rrowe12@bellsouth.net

More information about how to get involved is forthcoming.
